BAND PUP FORM

If you are interested in being a band pup this year for the marching band, please read the following and make sure you understand your role before signing at the bottom of the page!

A band pup's job is to assist the marching band during the marching season. We hope you will have a great experience and a fun time being a part of the band, but you need to understand that we are counting on you to be successful this year! Some of your duties will include preparing the stands for the band with the seat protectors, helping load/set up/prepare any equipment for the band, carrying/distributing the flip folders in the stands, passing water to the band, and other activities that will help the RHS Marching Band be successful! You will some great experience and you will have a great time! You will receive a marching band t-shirt, travel to away games, get into games free, and attend/experience band competitions! I do have to mention that this job is NOT for a person who is selfish or only doing it to get a free t-shirt. We need students who want to work hard, be dependable and ALWAYS have a great attitude! If there is a problem with fulfilling your duties to "help" the band, then Mr. Smith will have a talk with you to make you aware of the changes that we need to make to ensure you are a band "pup" and that we create success around you. You will be required to attend all rehearsals (special circumstances are negotiable), every football game, and every competition(2 or 3 Saturdays). There may be other rehearsals that you will be required to attend that will be determined during the year (I try to give at least a week's notice). The Pups really play a huge role in the marching band's success and we need students who we can depend on to be successful every year! If you agree to be an excellent representative for Ranburne High School and are excited to help the Ranburne High School Marching Band have a superior year, please have you and a parent sign below. We are really excited to have your help this year!
