Football Chaperone Form

If you are interested in being a Chaperone for the band during away football games this year, please read and sign the form at the bottom (there are two blanks for two chaperones per form), and return the form.

The chaperone's duties and responsibilities should always be to aid the band. A chaperone should help monitor students on the bus for appropriate behavior, help with packing or removing instruments from the band trailer, ensure nobody messes with the band equipment, patrol the band during the game (this includes walking students to the bathroom or concession stand, keeping out students that are not band members in the stands...) and being available if Mr. Smith needs an errand run or any assistance during the game. These are just a few examples of ways chaperones can help make the trip run smoothly. You are important to the success of our trip! We will only take a few chaperones for each game so the Chaperones selected will be based on a first-come first-serve basis. If you are not the chaperone for a game, you will have to pay to get in the stadium. If you are a chaperone for a game, please understand that your number one concern is the kids and you have a responsibility for that game. You can enjoy the game, enjoy the band, and sit in the stands and socialize on a week you are not a chaperone, but please be ready to do whatever is needed to help us have a great trip when you are a chaperone! Please set a good example for our students because they will be watching you as you have volunteered to help serve the band and help us be successful! Finally, we will go over any special circumstances and the game plan for each trip before departure with a chaperone meeting. Chaperones need to be ready to depart with the band from RHS to the game and plan to ride the bus back to RHS after the game. You will be notified the week of the game you are chaperoning when you need to be at RHS. We really need your help and are extremely appreciative of your support!
