1:20 pm- **RHS Perform**
3:30 pm- **Awards**
4:30 pm- Depart for RHS
6:30 pm- Arrive RHS
7:00 pm- Dismal

Uniform-

For the performance- Our uniform will be hat, plume, gloves, bibbers, jacket, TALL black sock, and dinkles.

Post performance- Students are **required** to wear the show shirt, this is to help keep up with all students. I do not care what you wear for pants/ shorts so long as it is appropriate and suited for the weather.

Etiquette-

While other bands are playing there is to be NO talking! It is rude to talk while a band is performing. There is also no moving in the stands during a performance, if you are not in the stands when the band starts, you must wait until AFTER the band finishes to start going into the stands!

Food-

Make sure that you bring money to eat at the concession stands.

Awards

Leaders and seniors will put uniforms back on and go onto the field for the award show to receive the awards. The remainder of the band will stay in the stands and be called to attention once they call our band to announce our scores.

During the award show there may be some bands that clap the scores, we DO NOT clap the scores it is considered rude!

Ex. (Band 1(clap) 1(clap) 2(clap clap) for an overall 2(clap clap)

You may of course clap as encouragement for other bands once the scores are announced, just not clapping the scores as some other bands do sometimes.

Checking out. Students will be allowed to be checked out after awards by their guardian, the student must put their uniform up and either take their instrument home with them, or find a responsible friend to put it up for them when we return to the band room.

Checking out only happens at the bus and only after they have taken care of both their instrument and uniform.
